

# The Multitainer

## The lightweight packaging solution

The Multitainer, a combination package with integrated handle and neck, UN approved for the transport of hazardous goods, is available in 5l as well as in 10l. A range of accessories such as various taps, screw caps with tamper evidence as well as different adapter systems can be offered.

### Features

- Produced with 50-75% less plastic than an equivalent rigid plastic container
- Comfortable handling and pouring control
- Inverted and stacked for less storage and transport costs
- Combi packaging
- Complete draining without gurgling
- Space for individual design
- E-commerce on demand
