

The Green Politainer

The lightweight packaging solution

The 'Green' Politainer, packaging made from renewable resources, available from 1l up to 30l for the transport or foodstuffs as well as for chemicals, without the need of UN approval.

A range of accessories such as various taps, screw caps with and without tamper evidendence or connector systems is available. Handles can also be offered for the 5l, 10l, 15l, and 20l versions.

Features and benefits

- Made of ca. 80% plastic derived from sugarcane
- Produced with 50-75% less plastic than an equivalent rigid plastic container
- Inverted and stacked for less storage and transport costs
- Accessory range
- Complete draining without gurgling
- Emptying without air ingress
- Space for individual design

Please contact us for samples. We are glad to assist you according to your requirements.
